## Deadline

*15 January 2025,  
late applications will be  
considered until position is filled*

## Opening

The Department of Mathematics invites applications for a

# Postdoctoral Position in Mathematics.

The position starts on 1 September 2025 or soon after. It is awarded for 2 years. There is a light teaching load. After a period of adaptation, some level of fluency in German or French is desirable.

Applications have a deadline of 15 January 2025. Every research topic related to one or several of the department's interests is welcome.

For more information on the department, see [www.unifr.ch/math](http://www.unifr.ch/math).

Application documents are:

- letter of motivation
- curriculum vitae
- list of publications
- concise statement of research
- names and addresses (including email) of 3 references
